

Babouche Size Charts

Please note that all leather slippers (babouche) are offered in European sizes, just as they are in Morocco. We recommend you consult the chart below to calculate the appropriate size, keeping in mind that these slippers run a bit small. Since the backs of the slippers are open, it's fairly easy to find a good fit.

Women's Sizing	
European	US
35	5
36	6
37	7
38	8
39	9
30	10

Children's Sizing	
European	US
